

Mr. Bryant,

I would really like to thank you for the services that you provided. Through the whole process, you kept me informed on what to expect and really provided a lot of detail regarding what my options were. In addition, I felt that your fees were quite fair. Although, in the end, I wound up submitting a guilty plea for DUI, I am still happy with the outcome considering what I possibly could have been facing. I will definitely look to you in the future should I need a lawyer's services once more.

**Sincerely,
Brad Ross**

****This client was facing additional jail time and a 1 year driver's license suspension. Although the facts of the case were unfavorable, Mr. Bryant was able to negotiate a disposition that eliminated both the jail time and license suspension.**
