

Dear Mr. Bryant:

I want to express my sincere thanks and appreciation for your efforts on my behalf during the defense and settlement of my DUI case in Gwinnett County.

I am well on the way to meeting my responsibilities to the Superior Court and to the citizens of Gwinnett County. Your professional advice and counsel helped me through one of the worst experiences of my life. I sincerely believe my rights were protected and I received the best outcome possible given the seriousness of the circumstances.

Your support and professionalism made the difference.

My sincere thanks again to you and your staff.
